

Director's Comments

It is a major task to mount a musical. There are so many people responsible for making this show possible. My thanks to all, from a cast and chorus who have lived up to our motto, "let's keep it fun," to the many hands who created, built, adjusted, and installed; and most of all, to the TEAC Board who have been so supportive, providing for our needs and helping turn the Events Center into a place "Where Dreams Come True."
