A Note from the Directors

Dear Family & Friends,

Welcome to Wonka!

This show has always been about more than what you see on stage—it's about the incredible young people standing on it. Throughout this journey, our cast has grown not only as performers but in confidence, resilience, and teamwork.

Rehearsals have been filled with laughter, unforgettable moments, and those special breakthroughs where everything finally comes together. From learning choreography and songs to stepping outside of their comfort zones, these students have shown dedication, courage, and heart every step of the way.

They truly mean so much to us. Watching them support one another, rise to challenges, and become a family has been the greatest joy.
We are so proud of how far this production has come and all that these students have accomplished. Thank you for being here and supporting them—we hope you feel the love, joy, and hard work they've poured into this performance.

Thank you for your support of our program.

Enjoy the show!

Elijah & Alexia

Watching Elijah and Alexia grow up has been such a joy. Elijah began playing the piano at nine years old and quickly amazed us with his talent. He has continued to grow as a musician over the years. At family gatherings, they would put on little shows filled with acting, singing, and dancing. We knew then they would continue pursuing these gifts. Elijah would play the piano while Alexia sang alongside him, with her beautiful voice, both supported by their talented parents. We look forward to many more years of being entertained by these two and watching their gifts continue to grow.

Seven little kids met in the North Clermont congregation,
Curious, eager, with great anticipation.

They had friendly smiles and gave a warm embrace;
They were making memories time could never erase.
These cuties would be much more than peers—
A friendship was starting that would last for years.
With nervous hands, and a pounding heart,
We watched each one of them give their first part.
Then off to McDonald's, what a scene,
Celebrating brave moments with ice cream.

Field trips made for special days, From Orlando plays to beachy waves. Pool parties, escape rooms, summer silliness, Creating unique adventures deep in the Shead's Camp Wilderness—

Exploring the woods with wild imagination, Led to that crazy frog court case… pure exhilaration!

They grew up fast, as children do, And with open hearts, their friendship circle grew too. From little kids to who you now are—

Seven special hearts will never be too far. 💛

We love you!!

-Carrington & Tristan-

Dad and I are so proud of you both and all that you accomplish. But most of all, we are proud of the kind-hearted, smart, caring, and talented young adults you are becoming.

Carrington, this year has been such a busy one! You have conquered many challenges and have done an amazing job with your character and choreographing the little ones. They absolutely adore you, just as you adore them. You continue to strive to be the very best version of yourself, and it has been such a joy to watch your growth unfold.

Tristan, a production, would not come together without the hard work happening behind the scenes. Thank you for always being willing to work hard and help wherever needed. You are generous, funny, and you never fail to make us laugh!

We are so grateful for you both and love you more than words can say.

Love, Mom & Dad

YOU ARE FABULOUS!!!

You are so beautiful, kind, loving, smart, and talented! You are also silly, funny, quirky (in the best ways), and SUPER FUN to be around! You always keep me on my toes with your humor, and you keep life interesting! You truly have a BIG personality and a HUGE heart! You have so much ahead of you.

And I cannot wait to continue cheering you on throughout all of your many life adventures! Keep shining BRIGHT and lighting up rooms and stages with your spark and fire! May all your best dreams come true—my loving daughter, friend, sunshine, and my entire heart. You mean the world to me, and I am extremely proud of you!

Love Always & Forever, Mom

Friends bring out the best in each other. Can't wait to see Pop and Twizzle knock the chocolate out of the park. Strike that! Reverse it... Knock IT out of the park.
